BETA TEST SITE AGREEMENT

THIS AGREEMENT is made on the date specified in the Schedule

PARTIES:

1. The party identified in the Schedule and hereinafter referred to as **“the Supplier”**
2. The party identified in the Schedule and hereinafter referred to as **“the Customer”**

PREAMBLE:

- A. The Supplier owns and/or distributes the newly developed Software identified in the Schedule.
- B. The Customer wishes to use the Software on its existing computer system and is willing to assist the Supplier with the evaluation and testing of the Software.
- C. The Supplier has agreed to make the Software available to the Customer on the terms and conditions set out in this Agreement.

IT IS AGREED AS FOLLOWS:

1. DEFINITIONS AND INTERPRETATION

- 1.1 In this Agreement the following definitions apply unless the context otherwise requires:

“Agreement” includes the preamble and the schedules and any annexure to this document and any matter incorporated by cross-reference.

“CPU” means the Central Processing Unit identified in the Schedule.

“Documentation” means any written specifications, operating and user manuals or other materials supplied to the Customer by the Supplier for the Software.

“Software” means the operating system or application software described in the Schedule in its object code (“machine readable”) form and all concepts and ideas
