## SAMPLE CLAUSES – APPROVED SUB-CONTRACTOR CLAUSES

*Different versions of sample clauses for this subject follow. Select the version most suitable for your requirements and copy and paste it into your contract with appropriate changes. It may be necessary to change the description of the parties (e.g. “Supplier” or “Customer”) and other terminology (e.g. capitalized terms) to enable the text of the selected clause to be consistent with that used in the rest of the contract. Where square brackets [ ] appear inserted within them are variables and should be adjusted to reflect your circumstances.*
